CME on PERFECT VISION

June 30 - July 1, 2018

Dear Friends,

Greetings from Aravind, Tirunelveli

With the ever-growing advancements in the field of Ophthalmology in the last few decades in the diagnosis and management of ocular disorders, patients' expectations to have "Perfect Vision" has increased manifold. We are organising this two day CME to showcase the tremendous advancements in the management of cataract, refractive surgery, refractive errors, optical dispensing etc. It will be held at Aravind, Tirunelveli on June 30th & July 1st 2018.

This CME covers recent advances in cataract, refractive surgery, refractive errors, optical dispensing etc. to help achieve optimum vision in our patients. Eminent ophthalmologists who are doing remarkable work in their field, consisting of Aravind faculty and those from other parts of the country will share their experiences.

Definitely this two day CME will be beneficial to practicing ophthalmologists, postgraduates and fellows. We invite you to make use of this opportunity to update your knowledge as you enjoy the unique Nellai hospitality.

Thanking You

Yours Sincerely

Prof. R. Ramakrishnan, MS., DO
